

Proudly Introducing Cantabella Children's Chorus:

Cantabella Children's Chorus (CCC) is an award-winning mixed voice chorus serving close to two hundred children and youth in the Livermore Tri-Valley of the San Francisco Bay Area. Its mission is to develop music literacy, healthy vocal technique, choral artistry through excellence in music education, exceptional choral productions, and collaborative cultural arts experiences to enrich our diverse community. Under the leadership of our current Artistic Director, Eileen Chang, CCC has participated in prestigious festivals and competitions, such as: ACDA Regional Conference, World Choir Games in Cincinnati, Kathawmixw Choral Festival in Canada, Golden Gate International Choral Festival, PicFest, and Sing A Mile High.

In the summer of 2019, CCC was invited to the 2019 World Youth Choral Festival and Competition (WYCF) in the beautiful Jeju Island of South Korea. Cantabella won Gold medals for both Sacred and Secular Categories and proudly came back home with the Grand Prix.

We are in a unique position of hiring a new Artistic Director (AD) while restarting in-person rehearsals and performances after more than a year of off-site zoom rehearsals due to COVID-19. We see this as an exciting opportunity to start afresh, dream big and grow in quantity as well as quality.

Looking Forward to Meeting You - Our New Artistic Director-

- Who is as passionate as we are in striving to be the best children's chorus in the Tri-Valley Area, as well as in nurturing "beautiful children" by means of "beautiful singing"!
- Who believes as we do that the rehearsal process should balance musical excellence with a supportive and enjoyable learning experience.
- Who is skillful and creative in teaching traditional classical choral repertoire as well as in introducing new choral works and composers to our singers and audience.
- Who is a team player and willing to work in collaboration with all the artistic staff, administrative staff and the Board of Directors to preserve and promote the vision and mission of CCC.

We hope you find joy in performing the following responsibilities

- Audition Members. Plan and run auditions at the beginning of each season, and as you deem necessary.

As the AD, your primary work will be focused on music. But you, along with the Board, will also be involved in many of the administrative aspects of keeping CCC running smoothly:
